

INFOTRAC® Newsstand

The Value of the Gale PowerSearch Platform:

- A visually stunning interface offering a familiar, Web-like experience
- Users may create individual account profiles, name and save any search in their profile, create news alerts and customize the interface
- Results include context-sensitive multimedia
- Enhanced publication pages with more detail, cover images and easier browsing capability
- The ability to choose from Basic, Browse Subject, Browse Publication or Advanced Search
- The option to search within result lists to target specific content
- ReadSpeaker technology to listen to audio versions of articles, or download the MP3 file for listening later
- Technology to support a diverse range of languages with on-demand translation of documents
- Opportunities to locate and share information among users and their communities with Web 2.0 technology
- Options to manage documents by e-mailing, bookmarking, downloading or printing
- 24/7 access for research needs outside the library
- And much more

Easy access to comprehensive information on current events and news

This innovative full-text newspaper resource allows users to search articles instantly by title, headline, date, author, newspaper section or other fields, eliminating random searching through newspaper archives. *InfoTrac Newsstand* provides access to more than 1,000 major U.S. regional, national and local newspapers as well as leading titles from around the world.

With the purchase of *InfoTrac Newsstand* you can elect to create a collection of custom newspapers which will give you the freedom to select the newspapers that fit the research needs of your users and the communities you support.

▲ Powered by Gale PowerSearch. Users will find enormous flexibility and easy-to-navigate content.

Available on the state-of-the-art Gale PowerSearch platform, *InfoTrac Newsstand* offers newspapers from around the globe providing users with worldly perspectives on social issues.

InfoTrac Newsstand features:

- More than 1,000 titles
- More than 33.5 million full-text articles from more than 1,100 newspapers, including Atlanta Journal-Constitution, Christian Science Monitor, The Financial Times (London), The New York Times, The Times (London), USA Today and many others
- Ability to search by specific newspaper section to deliver more precise results
- Comprehensive coverage of current events, including national, global and regional perspectives, as well as first-hand accounts of historical events
- Cross-product searchable via *Gale PowerSearch* with eBooks operating on the *Gale Virtual Reference Library* platform
- And much more
